

Montana Fish, Wildlife & Parks

ADDENDUM NO. 1

TO: ALL BIDDERS OF RECORD

PROJECT: Elkhorn Creek Fish Barrier Project

FWP PROJECT #: 12-25

DATE: May 24, 2012

FROM: George Austiguy, P.E., Pioneer-Technical Services

Acknowledge receipt of this addendum by inserting its number and date in the Proposal Form and on the Bid Envelope. Failure to do so may subject bidder to disqualification.

This Addendum forms a part of the Contract Documents. Clarification and/or modifications area as follows:

- 1) Clarification – All Landowner Agreements and Construction Permits have been obtained by Montana Fish, Wildlife & Parks. A Storm Water Pollution Prevention Plan (SWPP) Permit is not required for this project.
- 2) Clarification –Camping is allowed for the duration of the project only in designated camp sites. Follow all Beartooth Wildlife Management Area posted rules and regulations.”
- 3) Clarification – Clearing and Grubbing includes removal of trees and rocks perched above the work area that pose a safety hazard to the work area.
- 1) Modification - Technical Specifications Section 01010, Paragraph 1.05 Traffic Control and Site Safety. **Add** the following text: *“Signs shall be placed at the entrance to the Beartooth WMA and the entrance to Elkhorn Creek notifying the public of construction activities in Elkhorn Creek. Stoppage of traffic is limited to a 30 minute duration under general construction operations and limited to 1 hour during concrete pours.”*
- 2) Modification – **Delete** Technical Specifications Section 02110 Site Clearing, Part 3, Paragraph 3.03 A.: *“Removed trees with diameters greater than 2-inches shall be cut into 6-foot lengths and stockpiled on site as directed by FWP”.*
